Re: Request for Adoption of Interconnection Agreement Under Section 252(i) of the Telecommunications Act of 1996

Dear Ms. Howland:

Enclosed for filing, pursuant to 47 U.S.C. § 252(i), is a signed agreement between TDS Telecommunications Corporation (“TDS”) and Enhanced Communication of Northern New England LLC (“FAIRPOINT”), for adoption, in their entirety, of the terms of the Interconnection Agreement between TDS and Comcast Phone of New Hampshire, LLC d/b/a Comcast Digital Phone (“COMCAST”).

The Interconnection Agreement between TDS and COMCAST was approved by the New Hampshire Public Utilities Commission in Docket DT 09-175 as an effective agreement within the State of New Hampshire.

A clerical error caused a delay in the submission of this Request for Adoption, which the parties intended to take effect as of August 1, 2015. Accordingly, the parties respectfully request expedited consideration and action by the Commission. Please let me know if you have any questions.

Very truly yours,

TDS TELECOMMUNICATIONS CORPORATION
