**RE: Docket No. DE 16-576 Development of New Alternative Net Metering Tariffs and/or Other Regulatory Mechanisms and Tariffs for Customer-Generators
Docket No. DE 17-058 2017 Schedule for Default Service Solicitations
Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities
Compliance Tariff Filing - NHPUC No. 20**

Dear Ms. Howland:

On July 24, 2017, Liberty Utilities filed tariff pages for Granite State in compliance with the Commission's orders in Docket Nos. DE 16-576 and DE 17-058. Due to formatting issues, that filing included an extra page, appearing as page 27, which changed the page numbers that followed. Attached is an updated tariff that eliminates the extra page 27 and re-numbers the pages that follow.

The tariff also referenced Order No. 26,026, rather than Order No. 26,029 in the footer on pages 33-36. The enclosed updated tariff has been revised to reference the correct order. Finally, the cover letter filed with the tariff inadvertently referenced Docket No. DE 15-137 in paragraph three, and should have referenced Docket No. DE 15-271.

On July 31, 2017, one week after the tariff was filed, Staff requested that Liberty include certain language that Eversource had included in its tariff filing. The language is included on page 34 of the attached updated tariff.

Please do not hesitate to call if you have any questions.

Sincerely,

Stephen R. Hall
