Re: DE 16-576, Development of New Alternative Net Metering Tariffs and/or Other Regulatory Mechanisms and Tariffs for Customer-Generators RESCHEDULING Stakeholder Session for Value of DER Study Presentation

Dear Chairman Goldner:

The Department of Energy (DOE) has **rescheduled** the virtual stakeholder session, now to be held on **September 28, 2022 at 9:00 a.m.**, for DOE's consultant, Dunsky Energy Consulting, to present the results of the Value of Distributed Energy Resources (VDER) Study. The session was rescheduled from the 27th due to an unforeseen scheduling conflict with an external event that may be of interest to a number of relevant stakeholders.

The DOE will circulate to the service list a remote access link for the September 28th stakeholder session within the next few days.

We continue to expect that the final report regarding the VDER Study will be filed within a few weeks following the September 28th stakeholder session.

Pursuant to current Commission policy, this letter is being filed electronically only.

Sincerely,

David Wiesner
