Granite will comply with the above cited orders and rules by reducing its terminating intrastate end office rate element to \$0.0007 consistent with the corresponding Fairpoint Telephone Companies' June 16, 2016 amendment to Tariff F.C.C. No. 1, effective July 1, 2016. Further, Granite disaggregates its terminating access rates. Granite requests a July 1, 2016 effective date to comply.

Please acknowledge receipt of this filing by date-stamping and returning the additional copy of this transmittal letter in the self-addressed, postage-paid envelope provided for this purpose.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,
