Re: State Electricity and Natural Gas License Change

Dear Client,

I am writing to let you know that we will now operate under newly granted New Hampshire electricity and natural gas licenses as Hospital Energy, LLC, (HE). We are withdrawing the state electricity and natural gas licenses of Hospital Energy Services, LLC, (HES).

Since HE and HES share identical ownership, staff and services, there will be no change in service to our New Hampshire clients or in our ability to fulfill our duties under New Hampshire law and PSC regulations.

Please let me know if you have any questions or concerns. Many thanks!

Sincerely,

Mark Mininberg
President
