**Re: Rulemaking Notice 2016-233  
Puc 2000 Competitive Electric Power Supplier and Aggregator Rules  
NHPUC Docket No. DRM 16-853**

Dear Attorney Eaton:

Enclosed please find a Conditional Approval Request, annotated to indicate the revisions proposed by the Public Utilities Commission to be made to the Final Proposal filed on July 19, 2017. The proposed revisions address the editorial and substantive comments made by Committee staff counsel, as well as a number of issues raised by the Retail Energy Supply Association and other representatives of competitive electric power suppliers and certain changes requested by the City of Lebanon.

The Commission respectfully requests that the Committee conditionally approve the Final Proposal with the amendments indicated in the Conditional Approval Request.

Thank you in advance for your assistance with this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Honigberg".
