**Re: FP Notice No. 2016-233 – Adoption of Final Rules
Puc 2000 Competitive Electric Power Supplier and Aggregator Rules
NHPUC Docket No. DRM 16-853**

Dear Mr. Alukonis:

The Public Utilities Commission (Commission) today met in a public meeting to vote to readopt with amendments the Puc 2000 rules (captioned above), as conditionally approved by the Joint Legislative Committee on Administrative Rules on August 17, 2017. The Commission filed a Conditional Approval Response on August 25, 2017 and received written confirmation from the Administrative Rules Division that same day that the Conditional Approval Response was in accordance with the Committee's conditional approval.

Pursuant to RSA 541-A:14, III and Chapter 3, Section 2.21 of the *New Hampshire Drafting and Procedural Manual for Administrative Rules* (Manual), the Commission hereby files with the Director of the Office of Legislative Services in care of the Division of Administrative Rules the enclosed adopted Puc 2000 rules.

The Commission hereby certifies that the material enclosed is a true copy of the Puc 2000 Competitive Electric Power Supplier and Aggregator Rules adopted by the Commission on August 25, 2017. No editorial changes have been made in the adopted rules from the text of the rules reviewed and conditionally approved by the Committee.

As required by Chapter 3, Section 2.21 of the Manual, enclosed for filing are:

(1) Two (2) copies of the adopted rules in the format required by Chapter 4 of the Manual, including the appendix containing the cross reference table required by RSA 541-A:3-a, II; and

(2) One (1) copy of this cover letter containing the name and address of the agency adopting the rules; identification of the rules by rule numbers; identification of any editorial changes made in the adopted rules from the text of the final proposal after Committee review; and

signature by a voting member of the group of individuals with rulemaking authority, certifying that the material enclosed is a true copy of the rules adopted by the agency on the date given.

It is the intention of the Commission that the enclosed rules shall become effective at 12:01 a.m. on November 1, 2017, consistent with the Committee's expressed understanding that the Commission would delay the effective date of the adopted rules until at least 60 days after they are filed.

Thank you for your attention to this matter. Please contact us if you should have any questions or concerns.

Sincerely,

Martin P. Honigberg
Chairman
