RE: CEPS Quarterly Report
DM 17-012 Clearview Electric, Inc. d/b/a Clearview Energy

Executive Director Howland,

Clearview Electric, Inc. d/b/a Clearview Energy ("Clearview") hereby files its CEPS Quarterly Sales Report pursuant to Puc 2003.03(b) for the 3rd quarter of 2018. Enclosed are one original and two copies.

The number of customers listed in the Small Commercial category for PSNH shows an increase of 3 accounts from the Q2 report. Those three accounts were not billed between June 1st and June 30th due to bill timing; therefore, the accounts were omitted from the Q2 report. There were no new enrollments submitted to the utility, just a lack of recognition of those customers due to a lack of bill during the sample period used to generate report data.

Please feel free to contact me with any questions regarding this filing.

Respectfully submitted,

Jeremy Reed
