Re: DT 17-056, Tariff No. 1 (Access): Notice of Insufficiency

Dear Mr. Forte:

On April 5, 2017, you submitted separate "Tariff No. 1 (Access)" filings on behalf of CTC Communications Corp. (CTC) and Choice One of New Hampshire Inc. (Choice One). In each accompanying letter you described the filing as "subsequent to the Company's selection of the voluntary detariffing option for the combined local, interexchange, and access tariff previously on file with the Commission."

Neither the letter nor the tariff document provides any further reference to a "voluntary detariffing option." That term appears to apply to a particular procedure available under New Hampshire law and rules, or perhaps under federal law and rules. However, no such procedure is known by that name to Commission Staff.

Please submit a further description of the "voluntary detariffing option" under which CTC and Choice One believe they are making these filings, including any citation of relevant New Hampshire or federal law and/or rules. Until we receive this information, the current filings will be considered incomplete.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael C. Ladam".
