SUBJECT: DT 17-083, Chichester, Kearsarge, & Meriden Telephone Companies:
Intrastate Access Tariff Revisions

TO: Commissioners
Debra Howland, Executive Director

CC: David Wiesner, Staff Attorney

On May 26, 2017, the Chichester, Kearsarge, & Meriden Telephone Companies (Kearsarge) submitted a filing to revise their intrastate access tariff for effect on July 1, 2017, pursuant to the Federal Communications Commission (FCC) Report and Order FCC 11-161 (Transformation Order). The revisions in this filing would set intrastate access rates equal to current interstate access rates.

Staff has reviewed the filing for compliance with FCC orders and rules. Our review has included comparisons of filings by different Incumbent Local Exchange Carriers (ILECs). The Kearsarge filing and the revised access rates therein appear to be consistent with FCC directives.

Staff therefore recommends allowing the tariff revisions to take effect by operation of law on July 1, 2017.
