RE: DW 17-118 NHPUC Supplement No. 12

Dear Atty. Levine:

Staff has reviewed the filing received on May 14, 2018 in the above-captioned proceeding.

The recently submitted Tariff Supplement did not comply with the Commission's 1603.08 Rules. Staff would like to remind the Company to refer to and follow the 1603 rules when submitting any tariff filing to the Commission.

During the review of the filing, Staff found that the Title Page did not refer to the current version of the Tariff on file at the Commission which is NHPUC No. 3 - Water. To follow Puc 1603.08(b)(1), the submitted supplement should be Supplement No. 1. These changes follow through to header area of the rate schedule page which should be Page 1.

Please re-submit correct Tariff pages within 15 days.

If you have any questions, please contact me at (603) 271-7092 or via e-mail at robyn.descoteau@puc.nh.gov.

Yours truly,
