Re: Docket DE 17-136, Energy Efficiency Programs  
Eversource's Performance Incentive Calculation – Program Year 2019

Dear Director Howland:

Attached for filing with the Commission is Eversource's performance incentive calculation relating to the NHSaves Energy Efficiency Programs for program year 2019. The Commission approved the 2019 programs in its Order No. 26,207 issued on December 31, 2018.

The performance incentive calculation associated with Eversource's delivery of energy efficiency programs under the provisions of RGGI Grant RFP #14-004 is included in this filing.

Also enclosed is the annual reconciliation of the Lost Revenue Adjustment Mechanism ("LRAM"), as required by Order No. 25,932 in DE 15-137 and Order No. 26,207 in DE 17-136. The LRAM calculation and timing for the enclosed reconciliation were approved by the Commission in DE 14-216 in its Order No. 25,976 issued on December 23, 2016 and updated in Order No. 26,207.

Please contact me if there are any questions concerning this filing.

Very truly yours,

A handwritten signature in black ink that reads "Kate W. Peters".
