SUBJECT: DM 17-164 Atlantic Group Energy, Inc.
Registration to Provide Electric Aggregation Service

TO: Commission
Debra Howland, Executive Director

On October 23, 2017, Atlantic Group Energy, Inc. (Atlantic Group) filed an application to register as a provider of electric aggregation service. Atlantic Group's previous registration, which was approved under docket number DM 13-359, was deemed withdrawn and terminated as of June 30, 2014, based upon a request filed by Atlantic Group. Because the previous registration was terminated, Staff considers Atlantic Group's current filing an application for an initial registration.

Staff has reviewed the application and has determined that the filing is complete. Staff, therefore, recommends approval of Atlantic Group's application to register as a provider of electric aggregation service, effective on the date of the Commission's approval letter, for a term of 2 years.
