Re: DT 18-003: Airus, Inc. Waiver Request of Puc 413.03(a)(1) and 413.03(a)(3) NHPUC 30 JUL 18 PM 1:34

Dear Ms. Howland:

Airus, Inc. (Airus) wishes to withdraw its January 11, 2018 filing seeking New Hampshire Public Utilities Commission ("Commission") approval of a request to waive administrative rules Puc 413.03(a)(1) and 413.03(a)(3). The Commission docketed the filing as DT 18-003.

Airus respectfully requests the Commission approve this request to withdraw their January 11, 2018 filing and subsequently close DT 18-003 without prejudice. Our prospective customers have decided to choose other telecom options and we don't need the blocks at this time.

In addition to this electronic correspondence, the original and 6 paper copies of this filing will be sent to the commission in accordance with Puc 203.02.

Please contact me with any questions or concerns.

Respectfully,

John McCluskey  
General Manager
