Re: Delivery Service Tariff NHPUC No. 9 Tariff Pages Effective April 1, 2018
Correction to Rate LG Stranded Cost Recovery Charges

Dear Ms. Howland:

On April 2, 2018, Eversource filed tariff pages in compliance with the Commission's Order No. 26,116 in Docket No. DE 18-023 (Petition for Adjustment to Stranded Cost Recovery Charge, Order Approving Stranded Cost Recovery Charge). The stranded cost recovery off-peak hours per kilowatt-hour charge found on 5th revised page 67 is incorrect. The correct charge is 0.309 cents per kilowatt-hour, rather than -0.309 cents per kilowatt-hour. All other documents filed on April 2, 2018 used the correct figure of 0.309 cents per kilowatt-hour. I apologize for any inconvenience this correction may cause.

Please let us know if there are any questions concerning this filing. We are sending one original and two copies of all filing materials.

Very truly yours,
