Dear Alejandro:

You have requested that the New England Power Pool ("NEPOOL"), a voluntary association of entities that participate in the wholesale electric markets in the six New England states, indicate to you whether Everyday Energy, LLC ("Everyday Energy") is a member "in good standing in NEPOOL." This letter is in response to that request.

As of the date of this letter, Everyday Energy is a NEPOOL member entitled to full rights and subject to full obligations of members as set forth in the Second Restated NEPOOL Agreement, which is NEPOOL's governing document. Everyday Energy was accepted for membership in NEPOOL effective as of November 1, 2015 pursuant to an order of the Federal Energy Regulatory Commission ("FERC") issued October 30, 2015 in Docket No. ER16-192, subject to the conditions and waivers agreed to between NEPOOL and Everyday Energy as filed with the FERC in that Docket.

Everyday Energy is also a Market Participant under the ISO New England Inc. ("ISO-NE") Transmission, Markets and Services Tariff ("Tariff") pursuant to a Market Participant Service Agreement by and between Everyday Energy and ISO-NE.¹ Everyday Energy is not in default of its obligations under the NEPOOL Agreement or the Tariff, which could otherwise result in a suspension or termination of Everyday Energy's status as a NEPOOL Participant and Market Participant. Everyday Energy has not requested termination of, nor has NEPOOL received an application or has a request pending for, the termination of Everyday Energy's status as a NEPOOL Participant or as a Market Participant under the Tariff.

Respectfully,

David T. Doot
Secretary

Puc 2006.01(w)

Please see the attached copy of each contract to be used for residential customers and for small commercial customers, including any schedules or other documentation attached to, incorporated into, or referenced in such contract.

NEW HAMPSHIRE TERMS & CONDITIONS

You authorize Everyday Energy, LLC ("Company"), a member of the Crius Energy family of brands, to change your electricity supplier, as the case may be, to Company and to supply your home or small business with all the electricity you need, subject to the eligibility requirements of your local electric utility ("Utility"). Company is a supplier of energy products. We often use independent brokers to sell our energy products. Please review this contract carefully. If there are any discrepancies with the product features you were sold and the terms and conditions of such products, please call our customer care center at 1-844-684-5506. Your Enrollment Documentation, which includes your welcome letter, welcome package, as applicable, and these Terms and Conditions create your agreement with the Company ("Agreement"). Capitalized terms used herein have the meaning ascribed to them as listed within the Agreement as well as in the "Definitions" section herein.

1. **ELECTRICITY**. Upon successful completion and receipt of all customer enrollment requirements, Company will supply electricity for your home or small business. Company is a retail marketer of electricity and is not your Utility. Your Utility will continue to deliver electricity to your home or small business, read your meter, send your bill and restore power and charge you for its services related to delivering your electricity. Your Utility will also respond to emergencies and provide other traditional utility services. You understand that you are not required to switch your electricity to Company. This Agreement is subject to the eligibility requirements of your Utility and Company may choose not to accept this Agreement for any reason. If you are enrolled in any Utility program or bill assistance program, enrolling with Company may impact your participation in these programs. Please check with your Utility or program administrator before enrolling with Company.

2. **TERM**. Company will begin supplying your electricity when the Utility switches your account to Company. Your Agreement will continue for the Term specified in the Enrollment Documentation, and if applicable for the Renewal Term. Your Term is based on monthly billing cycles as determined by your Utility and each monthly billing cycle may not represent a full calendar month. If your Utility bills bimonthly, Company will treat this as two monthly billing cycles. Typically it takes one to two billing cycles for your Service to be switched from your Utility to Company, but there may be a delay before the Utility switches electricity and you understand that Company is not

responsible for any such delays. You may receive written notification from your Utility confirming your switch to Company. Company may terminate this Agreement by providing you notice as required by regulation or law.

3. **PRICE**. Company does not charge any fee for you to switch from your utility to Company. Please note that some products have specific fees related to the product or plan you choose which are detailed in your product Enrollment Documentation; these fees are not switching fees. Each month you will pay for the electricity you consume. For electricity, your bill will be calculated by multiplying your Rate by the amount of electricity measured in kilowatt-hours during the billing cycle, plus any applicable Fees. Your Rate does not include other costs, including but not limited to, the price of transmission and distribution, the system benefits charge, stranded cost recovery charge, and taxes. If your price is based on an estimated usage for such electricity, Company has the right to bill you on actual usage when such information is made available and you have the obligation to pay Company for such actual usage amounts.

4. **RATE PLAN OPTIONS**.

a. **Fixed Rate**. If you selected a fixed rate, the Rate for your Service is the Rate indicated in your Enrollment Documentation and guaranteed not to change for the Term ("Fixed Rate").

b. **Variable Rate**. If you selected a variable rate, the Rate for your Service for your first billing period is the Rate indicated in your Enrollment Documentation ("Variable").

Rate”). Variable Rates change at the Company’s discretion and may be higher and lower each month based on business and market conditions. Variable Rates are set at Company’s discretion and may vary based on numerous factors, including, but not limited to, Company’s assessment of applicable market and business conditions, operation costs, historic and projected supply and hedging costs, prior meter read cycle’s pricing and balancing costs, projected average customer bill amounts and Utility pricing or “price to compare” and applicable pricing reset dates and may include the following additional costs: ancillary services and other ISO costs, capacity costs, transmission costs, line loss costs, RMR costs, credit costs, balancing costs, winter reliability costs, and costs associated with meeting any applicable renewable portfolio standards, and a profit margin determined in Company’s discretion that may vary from month to month. Your Variable Rate will not include any fees, taxes or charges directly assessed by the Utility, or any other third party with the right to assess taxes and fees for the Services.

c. Index Rate. If you selected an index product, the Rate for your Service will be the index and the adder indicated in your Enrollment Documentation and will vary in accordance with the terms of the specific index (“Index Rate”).

d. Understanding and Selecting Rates. You understand that unless you have been offered a Rate confirmed in writing by Company that expressly provides otherwise, there are no guaranteed savings and your Rate may be higher or lower than the Utility’s rate in any given month.

5. **RESCISSION; TERMINATION**. You may rescind or terminate this Agreement as provided below.

a. Right of Rescission. In compliance with New Hampshire PUC Rules, you may rescind this Agreement, without fees or penalties of any kind, (i) within three (3) business days from the date of personal or electronic delivery of this Agreement, or (ii) within five (5) business days from the date of postmark when this Agreement is delivered via the United States postal service (“Rescission Period”).

b. Terminating Fixed Rate Plans. You may terminate a Fixed Rate plan at any time; provided that, if you terminate after the Rescission Period and before the end of the Term or Renewal Term, the applicable termination fee listed in your Enrollment Documentation will apply for the Service you terminate. If you are a small business

customer and selected a Fixed Rate, unless otherwise stated in your Enrollment Documentation, your early termination fee for each Service is equal to the Remaining Contract Quantity times the greater of (i) \$150.00, or (ii) liquidated damages which you agree is the Remaining Contract Quantity times the greater of (A) Contract Price less Market Price at the time of the termination, or (B) \$0.02/kWh or \$0.20/Ccf/therm.. Remaining Contract Quantity shall mean the total estimated usage for the period remaining in the Fixed Term of this Agreement at the time of termination, based on Buyer’s historical usage or Company’s estimated usage calculated in a commercially reasonable manner. The Market Price for the remainder of the Fixed Term will be determined by Company in a commercially reasonable manner.

c. Terminating Variable Rate Plans. You may terminate a Variable Rate Plan at any time and no termination fee will apply.

d. Terminating Index Rate Plans. You may terminate any Index Rate Plan Services at any time and no termination fee will apply unless otherwise stated in your Enrollment Documentation.

e. Termination Notice; Effect of Termination. To terminate or rescind this Agreement, you must notify Company as detailed in Section 14 or your Utility. Please provide your name, address, phone number, account number and a statement that you are rescinding or terminating the Agreement. Rescission is effective immediately. Termination will be processed immediately but is effective upon your Utility processing your termination and you are obligated to pay for the electricity provided pursuant to this Agreement until you are returned to your Utility or alternative supplier.

6. **BILLING AND PAYMENT**. The electricity you purchase from Company will be included in your Utility monthly bill or in a separate invoice from Company. If from the Utility, the Utility will set your payment due date and the payment address. Any bill not paid in full by its due date will incur a late payment fee in accordance with the Utility’s billing and payment policies and procedures. You may be liable for the costs Company incurs if Company must terminate your electricity for failure to pay, such as collection costs or attorney fees. Company shall have the right to setoff and net against any undisputed amounts owed by you under this Agreement which will be owed to Company, and Company shall additionally have the right to setoff and

net against any deposit or security provided by you pursuant to this Agreement any amounts, charges or damages owed by you to Company. If you have provided Company, its affiliates or agents with a credit card number, you provide authorization to charge any outstanding balance to such credit card. You will be billed and pay Company for the electricity based on meter readings and consumption information that Company receives from your Utility ("Billing Quantity"). For commercial accounts, Company will have the option to adjust the Billing Quantity for line loss retained by your Utility. You are responsible for paying and reimbursing Company for all applicable Fees.

7. CUSTOMER INFORMATION. All authorizations provided herein will remain in effect for the Term and, if applicable, the Renewal Term of this Agreement; however, authorization may be rescinded by you any time by contacting Company.

a. Credit Requirement. You authorize Company to obtain and review your credit history. You may be required to promptly provide Credit Enhancements to continue Service if there is a deterioration in your credit rating or a Usage Increase.

b. Customer Information; Privacy Policy. You authorize Company to obtain your Customer Information from your Utility. This Agreement provides authorization for Company to contact you about our other products and services or share information about your account with any designated partner or with any third-party vendor Company uses to provide services and rewards to you. Company reserves the right to share your Customer Information with Company Agents, to the extent permitted by law. Company shall not release confidential Customer Information without written authorization from the Customer along with a statement, not inconsistent with PUC 2004.09, of which Customer Information shall be considered confidential.

8. RENEWAL NOTICE. For any Fixed Rate plan you have selected, you will receive notice from Company (between thirty and sixty days prior to the end of your Term) that, unless you opt out, you will be automatically enrolled: (i) on the Fixed Rate plan provided in the notice, or (ii) on Company's Variable Rate plan available at such time (which allows you to cancel at any time without any Termination Fees). Each new renewal period after your initial Term will be deemed a "Renewal Term". For any Variable Rate plan, you will not receive a renewal notice and such plan will continue until you

cancel, or Company may cancel by providing you notice as required by regulation or law.

9. PHONE COMMUNICATION POLICY. You agree that by accepting this Agreement and providing your phone number (which may include your wireless number) to the Company or its agents or affiliates, the Company and its agents or affiliates may text or call you with autodialed or pre-recorded promotional or product information. Your consent and acceptance of this policy is not a condition of purchase. You may add a telephone number to the national do not call registry by calling 888-382-1222 from the phone you wish to register, or go click on "Register a Phone Number" in the left column of the webpage at www.donotcall.gov.

10. DISPUTE RESOLUTION AND MANDATORY AGREEMENT TO ARBITRATE ON AN INDIVIDUAL BASIS. If you have billing questions or would like to make an inquiry about Company's terms of service, you may contact Company as indicated in Section 14. In the event of a dispute or a disagreement under this Agreement, the parties will use their best efforts to resolve the dispute. If you are not fully satisfied after discussing your dispute with Company, or if you have any questions about rights and responsibilities, you may contact the Commission's Consumer Affairs Division at 1-800-852-3793.

Regardless of whether you choose to pursue your dispute with the Commission's Consumer Affairs Division, your right to pursue individual arbitration with Company will not be impacted under this Agreement as set forth below.

You and Company both agree to resolve Disputes (as defined below) only by arbitration or in small claims court (for qualifying claims), subject to specific exceptions listed herein. The parties expressly agree that they are waiving their right to sue in court and that arbitration is the parties' sole remedy to resolve disputes. There is no judge or jury in arbitration, the procedures may be different, and is subject to very limited review by a court. An arbitrator, however, can award you the same damages and relief, and must honor the same terms in this Agreement, as a court would. If the law allows for an award of attorneys' fees, an arbitrator can award them too. In addition, you and Company also both agree that:

(a) "Disputes" are any claims or controversies against each other related in any way to, or arising from Company's electricity, this Agreement, or any related agreements, including but not limited to, billing, services

and practices, policies, contract practices (including enforceability), service claims, privacy, or advertising, even if it arises after your electricity with Company have terminated. Disputes include any claims that: (i) you bring against Company or any of its employees, agents, affiliates, or other representatives; or (ii) that Company brings against you. It also includes, but is not limited to, claims related in any way to, or arising from any aspect of the relationship between you and Company, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory.

(b) Except as otherwise provided under Section 10(f) below, the Federal Arbitration Act, 9 U.S.C. § 1 *et seq.* (the “FAA”) applies exclusively to this agreement to arbitrate, and this agreement to arbitrate is intended to be broadly interpreted. The arbitrator’s decision and award is final and binding, with some exceptions under the FAA, and judgment on the award may be entered in any court with jurisdiction.

(c) Prior to initiating arbitration, a party must first send to the other, by certified mail, a written notice of dispute (“Dispute Notice”). The Dispute Notice to Company should be addressed to the Notice Address listed in Section 14. The Dispute Notice must (i) describe the nature and basis of the claim or dispute; and (ii) set forth the specific relief sought (“Demand”). If Company and you do not reach an agreement to resolve the claim within thirty (30) days after the Dispute Notice is received, you or Company may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by Company or you shall not be disclosed to the arbitrator.

(d) Unless the parties agree otherwise, the arbitration will be conducted by a single neutral arbitrator and will take place in the county of the service address.

(e) The arbitration will be conducted by: (i) a neutral third party arbitrator mutually agreed upon by you and Company; or (ii) the American Arbitration Association (the “AAA”). The arbitration will be governed by the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (collectively, “AAA Rules”) of the AAA, as modified by this Agreement, which can be found at <https://www.adr.org/aaa/ShowProperty?nodeId=/UCM/ADRSTAGE2009997&revision=latestreleased>. Where the terms of this agreement to arbitrate conflict with the AAA Rules, the terms of this agreement to arbitrate shall override and govern. The AAA Rules are available

online at adr.org, by calling the AAA at 1-800-778-7879, or by writing to the Notice Address for Company, which is listed in Section 14. The arbitrator is bound by the terms of this agreement to arbitrate. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision are for the court to decide. If your claim is for \$10,000 or less, Company agrees that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds \$10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. Upon your request, and you supplying appropriate documentation, Company will reimburse your administrative costs for the arbitration over and above the costs associated with filing a case in court. If, however, the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. However, nothing in this paragraph will require or allow you or Company to arbitrate on a class-wide, representative or consolidated basis. An arbitration award and any judgment confirming it apply exclusively to the specific case. The arbitration award and judgment cannot be used for any other case except to enforce the award itself.

You and Company each agree that arbitration will only be pursued on an individual basis, and will not be pursued on a class-wide, representative or consolidated basis. This Agreement does not allow class, representative or collective arbitrations even if the AAA procedures or rules would. If for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then this agreement to arbitrate does not apply and the dispute must be brought in court.

(f) You and Company agree that notwithstanding this agreement to arbitrate, either party may bring qualifying claims in a small claims court. In addition, this arbitration provision does not prevent you from bringing your dispute to the attention of federal, state, or local government agencies (including the Commission’s

Consumer Affairs Division), and if the law allows, they can seek relief against Company on your behalf.

(g) If for any reason a claim proceeds in court rather than through arbitration, you and Company agree that there will not be a jury trial. You and Company unconditionally waive any right to trial by jury in any action, proceeding or counterclaim arising out of or relating in any way to this Agreement or the electricity provided by Company. In the event of litigation, this paragraph may be filed to show a written consent to a trial by the court.

11. **EMERGENCY**. In the event of an emergency such as a power failure, a downed power line, you should call your Utility. If your Utility is Eversource, call 1-800-662-7764; if your Utility is Unitil, call 1-800-582-7276 (Seacoast Region) or 1-800-852-3339 (Capital Region). You can also call your local emergency personnel at 911 if the emergency warrants.

12. **LIMITATIONS OF LIABILITY AND WARRANTY**. NEITHER YOU NOR COMPANY WILL BE LIABLE TO THE OTHER OR TO ANY THIRD PARTY FOR ANY CONSEQUENTIAL, EXEMPLARY, PUNITIVE, INCIDENTAL OR INDIRECT DAMAGES ARISING FROM A BREACH OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR LOST REVENUES. COMPANY DOES NOT GIVE ANY TYPE OF WARRANTY, EXPRESS OR IMPLIED, AND TO THE FULLEST EXTENT OF THE LAW, DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. COMPANY WILL NOT BE LIABLE FOR BILLING OR COMMUNICATION ERRORS AFTER 90 DAYS IF YOU DO NOT CONTACT US REGARDING SUCH ERRORS WITHIN 90 DAYS AFTER THE STATEMENT SHOWING THE TRANSACTION HAS BEEN MAILED TO YOU.

13. **FORCE MAJEURE**. Benefits shall be subject to terms and conditions which shall be provided to participants at the time the benefit is awarded. Benefits and rewards are subject to change from time to time, and may vary based upon the Xfinity Services to which participants subscribe.

f) There are no fees for participating in the Program; however, there may be costs associated with certain benefit offers.
