Re: Delivery Service Tariff NHPUC No. 9 Tariff Pages Effective August 1, 2018 – Electric Assistance Program Rate EAP

Dear Ms. Howland:

In compliance with the secretarial letter issued in Docket No. DE 18-068 (Petition for Tariff Amendment Re: Electric Assistance for Outdoor Lighting), the following tariff page is transmitted herewith:

NHPUC No. 9 - Electricity Delivery  
Public Service of New Hampshire dba Eversource Energy

1<sup>st</sup> Revised Page 48

Effective: August 1, 2018

In its secretarial letter, the Commission approved the Electric Assistance Program (EAP) Advisory Board's recommendation that it would be appropriate to end the application of the EAP discount to outdoor lights served under Rate OL that are associated with residential customer accounts served under the EAP.

Black-lined tariff pages denoting the change were filed with the Commission on April 23, 2018. In this filing, the authorization footnote has been added to the tariff page in compliance with the Commission's rules.

Please let us know if there are any questions concerning this filing. We are sending one original and two copies of all filing materials.

Very truly yours,

Rhonda J. Bisson
