**Re: DT 18-070  
CRC Communications LLC  
Proposed Revisions to Intrastate Tariff No. 1**

Dear Ms. Howland:

Enclosed please find an original and two (2) copies of CRC Communications LLC's ("CRC") proposed second revision to Pages 1 and 38 of Intrastate Access Tariff No. 1 ("Tariff"), which carries a proposed effective date of July 31, 2018.

This filing is made pursuant to the Commission's notice dated June 5, 2018 in Docket No. 18-070 and the Federal Communications Commission's *USF/ICC Transformation Order* ("Order"), which established that individual intrastate rates for dedicated access local transport, terminating switched access, and associated services must be equal to or lower than their corresponding interstate rates. Accordingly, CRC has reduced its Tandem-Switched End Office and Transport - Terminating rate from \$0.000700 to \$0.000000.

If you have any questions, I may be reached at (256) 586-1420 or by email at [dennis@otelcotel.com](mailto:dennis@otelcotel.com).

Sincerely,

A handwritten signature in black ink that reads "Dennis K. Andrews".
