Re: DW 18-101 Pennichuck East Utility, Inc. – PEU/Pillsbury Special Contract  
Status Update Report

Dear Director Howland:

Pursuant to the Commission's Secretarial Letter dated September 5, 2019, this letter provides an update of the status of the Town of Londonderry's zoning board of adjustment's ("ZBA") local approval of the water tank project and execution of the special contract.

There has been no change in circumstance since Pennichuck East Utility, Inc. ("PEU") filed with the Commission its June 2020 update. PEU awaits the Commission's approval of PEU's March 9, 2020 supplemental petition for approval of a revised special contract. The contract was revised to reflect a revised water tank project that now includes a booster station. The revised contract also addresses local height concerns PEU learned during the ZBA review process and, importantly, eliminates the need for ZBA approval.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
