**Re: Petition of Northern New England Telephone Operations LLC d/b/a
Consolidated Communications–NNE to Temporarily Construct and Maintain
Telecommunications Cable across New Hampshire Public Waters**

Dear Ms. Howland:

On Monday July 30, 2018, Northern New England Telephone Operations LLC d/b/a Consolidated Communications-NNE filed a petition pursuant to RSA 371:17 seeking a license to temporarily relocate and maintain aerial plant crossing state-owned public waters in Weirs, New Hampshire. The filing should have consisted of a cover letter, petition and two exhibits (Exhibits A & B). Yesterday, Staff advised that the paper filing submitted to the Commission was missing a copy of Exhibit B. My apologies for this error.

Included with this letter are an original and six copies of Exhibit B.

As noted in the initial cover letter, Consolidated Communications respectfully requests expedited review and approval of this petition so that bridge reconstruction is not delayed pending an order of the Commission. I recognize, of course, that my oversight doesn't help this request.

Please contact me should you have any question or concern.

Best regards,

A handwritten signature in black ink that reads "Robert D. Meehan". The signature is written in a cursive, flowing style.
