Re: Request for waiver of N.H. Code Admin Rules Puc 303.02 for Central Square  
Terrace, Docket No. 18-158

Dear Ms. Howland,

Based on feedback from Rich Chagnon and clarification received from our electrical engineer, DuBois and King, Inc., Keene Housing is clarifying its waiver request to combine the following electrical services to one master meter:

- The 70 residential units in the Roxbury which are currently individually metered.
- The 1 meter which currently services the common areas for the Roxbury.
- The 1 meter which currently services the 20 residential units and the common areas for the Colony Block.

All other meters at this location, which include commercial businesses, will remain as is.

Respectfully,

Joshua Meehan  
Executive Director
