RE: ~~Docket No. DE 17-196~~  
Public Service Company of New Hampshire d/b/a Eversource Energy  
Petition for Continuation of Reliability Enhancement Program

Dear Director Howland:

Enclosed please find the Proposal to Extend Reliability Enhancement Program of Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource"). Consistent with the directive of the Commission in Order No. 26,112 (March 12, 2018) in this docket, Eversource worked with the Commission Staff and OCA to come to an understanding on a proposed Reliability Enhancement Program ("REP") that the Staff and OCA could support as a bridge to a rate review filing in 2019. Included with this filing is the technical statement and supporting information of Robert Allen, Joseph Purington, and Christopher Goulding explaining the REP and Eversource's request.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,
