Re: DM 19-009 Eisenbach Consulting, LLC
Application to Renew Registration as a Provider of Electric Aggregation Service

Dear Ms. Eisenbach:

On January 10, 2019, Eisenbach Consulting, LLC (Eisenbach) submitted an application with the Commission to renew its registration as a provider of electric aggregation service. Staff reviewed the application and determined that it is complete.

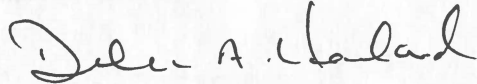

Commission Staff filed a memorandum on January 11, 2019 recommending that a waiver be granted of the renewal filing deadline under N.H. Code Admin. Rules Puc 2003.06(a), and that Eisenbach's registration renewal application be approved for a two-year term, beginning on March 1, 2019, pursuant to Puc 2003.06(e)(1).

The rule waiver has been granted, and Eisenbach's application for registration renewal is approved, effective as of March 1, 2019, under Puc 2003.06(e)(1). The renewed registration is for a term of two years and expires at the close of business on March 1, 2021. Pursuant to Puc 2003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before December 31, 2020.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>.

Please note that, effective as of July 1, 2014, each registered electric aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

Debra A. Howland
Executive Director
