RE: Docket No. DE 19-057
Public Service Company of New Hampshire d/b/a Eversource Energy
Notice of Intent to File Rate Schedules

Record Request Responses – Second Step Adjustment

Dear Chair Martin:

During the July 19, 2021 hearing in the above-referenced matter, the Commission issued four record requests to Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”). The Commission reserved exhibit numbers 65 through 68 for submission of the responses to those requests. The requests relating to Exhibits 65, 66, and 68 were due by July 22, 2021, while the request relating to Exhibit 67 was due by July 27, 2021.

Eversource submitted the responses as exhibits by the required deadlines. On July 28, 2021, the clerk’s office notified Eversource that the exhibits should have been marked differently for inclusion as exhibits. Accordingly, included with this letter are refiled versions of the responses to the Commission’s record requests corresponding to Exhibits 65 to 68. The included items are identical to those provided previously except that the exhibit markings have been updated as noted by the clerk’s office.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
