Re: **National Energy Cost Services Inc.**
Application for Natural Gas Broker License

To Whom It May Concern:

Enclosed please find the required statement concerning CNGSSs in relation to the **Application for Natural Gas Broker License** for our client, **National Energy Cost Services Inc.**

We've included 2 photocopies of this cover letter and the signed statement. We've also emailed a copy of the entire application package to executive.director@puc.nh.gov.

Once the application has been processed, please forward evidence of approval to the mailing address on the application. If there is any issue, or if you require any further information, please do not hesitate to contact me or my colleague, Michelle Martinez, at MMartinez@LicenseLogix.com or 800-292-0909 x 306.

Thank you,

This is to clarify that NECS Inc. intends to provide service with CNGSs in New Hampshire once approved as a broker of gas supply in New Hampshire.

We currently deal with a couple of suppliers in different states and would like to deal with them in New Hampshire as soon as we are granted a gas broker license in New Hampshire.

CNGSs would include: Direct Energy, Sprague, Constellation, Agera

Feel free to contact us with any questions.

All the best.
