Dear Ms. Howland:

In compliance with Commission Order Nos. 26,242, 26,243, and 26,244 dated April 30, 2019, in Docket Nos. DE 16-383, DE 19-062, and DE 19-051, respectively, the following tariff pages are transmitted herewith:

In Order No. 26,243 and Order No. 26,244, the Commission approved the recovery of 2018 REP/VMP costs and Liberty's proposed adjustment to transmission and stranded costs. In Order No. 26,242, the Commission approved a step increase to be added to distribution rates and a flat block rate for Rate D.

The changes to tariff pages 2, 19, 20, and 21 are housekeeping changes, which make the language surrounding the "Transmission Charge" and "Stranded Cost Charge" consistent with language found later in the tariff.

Thank you for your assistance with this matter. Please do not hesitate to call if you have any questions.

Sincerely,
