**Re: Docket No. DE19-064; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Petition for Permanent Rates**

Dear Chairman Goldner:

On October 29, 2021, the Commission issued Order No. 26,537 in this docket granting Liberty's request to recover in rates its 2020 investments in the Battery Pilot Program as of November 1, 2021. In compliance with that order, the Company adjusted rates and filed tariff pages reflecting the approved changes.

The Company has discovered that it neglected to include an audit change in the rates that went into effect November 1 and in the accompanying tariff pages. This resulted in a total over-collection of \$562.00, or an average of approximately \$0.03 for each of the customers who have been billed under the incorrect rate. The Company has corrected the rates and, on behalf of Liberty Utilities (Granite State Electric) Corp., the Company has enclosed for filing clean and redlined tariff pages with the corrected rate.

Pursuant to the Commission's March 17, 2020, secretarial letter, only an electronic version of this filing will be provided. Thank you.
