Procedural Order Re: Time-of-Use Adjustment

On October 31, 2024, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities (“Liberty”) filed a compliance tariff to update its time-of-use (TOU) rates pursuant to Order No. 26,204, Order No. 26,376, and Order No. 26,604 with an effective date of November 1, 2024. Having reviewed the filing, the Commission requires additional information to understand whether the rate changes were consistent with these orders. Specifically, the Commission requires Liberty to provide a written explanation that lists the changes made and explains why these changes are consistent with the authorizing orders.

For administrative clarity, the Commission directs the Clerk’s Office to open a new docket and transfer the October 31 compliance filing into this new docket. Liberty should file the narrative explanation of the change in this new docket. Liberty shall submit this filing by November 22, 2024. The three dockets listed above shall remain closed.

In addition, Liberty shall file all future TOU updates to its tariff with a petition requesting that the Commission review the rate adjustment in a new docket at least 30 days before the rate change is to go into effect. All such petitions shall contain a narrative explanation of the rate changes as outlined in the paragraph above.

So ordered, this fourteenth day of November, 2024.
