Request for Change in Rates
City of Lebanon Testimony **REV-1**

Dear Ms. Howland,

I am embarrassed to say that I forgot to include Attachment A in my submission this morning. I have appended Attachment A at the very end of the enclosed Attachments PDF so as not to disturb the sequential page numbering and I noted its location on the Attachments cover and index page (Bates p. 24). I have also added Bates page numbers to the Index.

If anyone happens to have already printed the original version, they can just print the first and last two pages and append them at the front and back of the document. My apologies for the inconvenience.

I am providing the Office of Consumer Advocate and the service list an electronic copy of this filing.

If you have any questions, please don't hesitate to contact me.

Yours truly,

Clifton Below, Assistant Mayor
City of Lebanon, NH
