Re: Docket No. DG 19-068; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities - Keene Division
Summer 2019 Cost of Gas

Dear Ms. Howland:

By letter dated June 3, 2019, Commission Staff “rejected” a tariff filing that the Company made to adjust the Keene Division summer cost of gas rate for June 1, 2019, as allowed to reduce any over- or under-collections during the summer period. The Company’s filing included revised tariff pages and a separate schedule that supported the monthly adjustment reflected in those tariff pages.

As noted in Staff’s letter, one line of the supporting schedule incorrectly stated “winter” rather than “summer.” However, the error was *not* “on the submitted tariff,” as Staff stated in its letter. Rather, the error was on the schedule that supported the new tariff language; the tariff pages that the Company filed are accurate. Staff stated that “A copy of this letter is being entered into the docket”

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities, I enclose for filing one original and six copies of a corrected scheduled titled, *Calculation of Cost of Gas Rate, Supply/Demand Balance, Sumer Period 2019*, which corrected schedule fixes the “summer” - “winter” error on Line 29 as noted above and in Staff’s letter. The Company submits this letter to clarify that the filed tariff pages are accurate.

Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Michael J. Sheehan".
