Re: RSA Chapter 366 — Filing of Service Agreement Between Aquarion Water Company and Eversource Energy Service Company

Dear Ms. Howland:

Pursuant to RSA 366:3, please find a copy of a service agreement between Aquarion Water Company and its direct and indirect subsidiaries including Aquarion Water Company of New Hampshire, Inc. ("Aquarion") and Eversource Energy Service Company ("Eversource Service") (collectively, the "Companies").

Both Aquarion and Eversource Service are wholly-owned subsidiaries of Eversource Energy.

The Companies acknowledge the untimely nature of this filing; the provision of certain services, such as legal representation in New Hampshire, by Eversource for Aquarion have just begun. The attached agreement covers the same services as those contained in the service agreement between Eversource Service and Public Service Company of New Hampshire docketed in Docket No. DA 13-067.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Robert A. Bersak".
