Application to Renew Registration as a Provider of Electric  
Aggregation Service  
**Staff Recommendation**

**TO:** Debra Howland, Executive Director

On May 10, 2019, Lakes Region Planning Commission (Lakes Region) filed an application to renew its registration as a provider of electric aggregation service. Lakes Region's currently-effective registration expires on July 5, 2019.

Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Code Admin. Rules Puc 2000. Staff therefore recommends that Lakes Region's application to renew its registration as a provider of electric aggregation service be approved, effective July 5, 2019, for a term of 2 years.
