RE: Docket No. DE 19-108  
Public Service Company of New Hampshire d/b/a Eversource Energy  
Petition for Adjustment to Stranded Cost Recovery Charge

Dear Director Howland:

Please find enclosed for filing an original and six copies of the testimony and attachments of Erica L. Menard and David F. Bidmead setting forth Public Service Company of New Hampshire d/b/a Eversource Energy's ("Eversource") updates to its request for an adjustment to the current Stranded Cost Recovery ("SCRC") rates for effect on August 1, 2019. Historically, Eversource had provided updates to the SCRC by means of a technical statement comparing the preliminary filing to the update filing. With the intent of reducing the potential for confusion, Eversource is providing this update through testimony noting the changes from the currently existing rates, rather than changes from the preliminary filing.

As described in the included testimony and attachments, the updated proposed adjustment, including the RGGI adder, would result in an increase in the current average SCRC rates. The table below shows the current rate class specific average SCRC rates excluding the RGGI adder, and the updated rate class specific average SCRC rates excluding the RGGI adder for rates to take effect from August 1, 2019 through January 31, 2020.

Change in Average SCRC Rates (excluding the RGGI Adder) (cents/kWh)

Rate Class	Current Rate (cents/kWh)	Preliminary Rate (cents/kWh)	Updated Rate (cents/kWh)
R	1.522	1.849	1.887
G	1.415	1.637	1.669
GV	1.198	1.400	1.428

<b>LG</b>	<b>0.420</b>	<b>0.469</b>	<b>0.478</b>
<b>OL/EOL</b>	<b>1.720</b>	<b>1.718</b>	<b>1.682</b>

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
