**Re: Docket No. DE 19-133**  
**Petition for Preauthorization of Westmoreland Clean Innovation Project**  
**Staff Correction to Clerk's Report**

Dear Ms. Howland:

Please find enclosed a corrected version of the Clerk's Report ("Report") relating to the September 20, 2019 pre-hearing conference in Docket No. DE 19-133. The initial version of the Report incorrectly states that Sunrun Inc. was present before the Commission on that date and fails to mention that a representative of Clean Energy New Hampshire was present before the Commission on that date. The revised version of the Report correctly states that Clean Energy New Hampshire was present before the Commission on that date and that Sunrun Inc. was not.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Brian D. Buckley".
