Re: Northern Utilities, Inc., New Hampshire Division - Docket DG 19-154  
September 2020 Monthly Cost of Gas Report

Dear Director Howland:

Pursuant to Commission Order No. 26,303 in Docket DG 19-154, enclosed is Northern Utilities - New Hampshire Division's ("Northern") current calculation of its projected over or under-collection of gas costs for the 2019-2020 summer season.

Northern's current calculation of costs has been updated to reflect the Company's April 30, 2020 balance, actual costs and revenues for May through August 2020, and NYMEX futures prices as of September 23, 2020. The updated calculations indicate that a rate change is not required at this time. Support for this decision is provided in the attached summary and tables.

Sincerely
