**Re: DRM 19-158 Rulemaking, Puc 900 Net Metering Rules
Request to Schedule Stakeholder Technical Session**

Dear Ms. Howland:

Commission Staff hereby requests that the Commission schedule a stakeholder technical session in this rulemaking proceeding for December 12, 2019 starting at 1:00 p.m.

The primary focus of that session will be on rules amendments necessary to implement Senate Bill 165 with respect to on-bill crediting for group net-metered renewable energy facilities and the additional net metering compensation available to low-moderate income community solar projects. Staff plans to circulate an agenda and materials for stakeholder review prior to the session.

I certify that a copy of this letter will be served electronically on the parties on the service list at the same time it is filed with the Commission.

Sincerely,

A handwritten signature in cursive script that reads "David K. Wiesner".

David K. Wiesner
Attorney for Staff
