Re: Conditional Approval Confirmation of Final Proposal 2019-162

Dear Commission Members:

At its meeting on June 19, 2020, the Joint Legislative Committee on Administrative Rules (Committee) voted, pursuant to RSA 541-A:13, V(a), to conditionally approve Final Proposal 2019-162 of the Public Utilities Commission (Commission) containing Puc 900 on net metering for customer-owned renewable energy resources of 1,000 kilowatts or less. The approval was conditioned on amending Final Proposal 2019-162 as specified in the Commission's conditional approval request dated June 16, 2020.

On June 29, 2020, our office received your written response indicating how Final Proposal 2019-162 was amended in accordance with the conditional approval. We have reviewed the explanation pursuant to RSA 541-A:13, V(a), and we have determined that Final Proposal 2019-162 has been amended in accordance with the conditional approval and RSA 541-A:13, V(a). Therefore, you may now adopt and file the rules in Final Proposal 2019-162, as amended, through AdminRules@leg.state.nh.us.

If you have any questions concerning the provisions in RSA 541-A relative to conditional approvals, responses, or adoptions, please contact me at scott.eaton@leg.state.nh.us.

Sincerely,

A handwritten signature in black ink that reads "Scott F. Eaton".

Scott F. Eaton
Administrative Rules Director
