**SUBJECT:** DM 19-193, Agera Energy, LLC  
Renewal Registration as a Competitive Natural Gas Supplier (CNGS)  
**Staff Recommendation to Confirm Registration Expiration**

**TO:** Debra A. Howland, Executive Director

On December 9, 2019, Agera Energy, LLC (Agera) filed an application to renew its registration as a competitive natural gas supplier (CNGS) in New Hampshire. On February 3, 2020, Agera filed a letter withdrawing its renewal application, noting that it had ceased serving natural gas customers as a CNGS and was not accepting new natural gas customers. As a result, Agera indicated its preference that its registration be permitted to expire without renewal as of February 4, 2020.

Based on the filings in this docket, Commission Staff recommends that the Executive Director issue a secretarial letter confirming that Agera' CNGS registration expired effective as of February 4, 2020.
