Re: DE 19-197, Electric and Natural Gas Utilities  
Development of a Statewide, Multi-Use Online Energy Data Platform  
Procedural Schedule and Deadline for Staff Proposal

To the Parties:

The Commission deferred ruling on the petitions to intervene filed by Mission: data Coalition, Freedom Logistics, LLC, Kat McGhee, UtilityAPI, Inc., Town of Hanover, Clean Energy New Hampshire, City of Lebanon, Community Choice Partners, Inc., the Direct Energy companies, Packetized Energy Technologies, Inc., and Patricia Martin. Representatives of the Sheehan Phinney law firm, the Department of Environmental Services, and William Brown were also present, but did not file petitions to intervene.

In addition, Staff stated that it electronically served a scoping comment solicitation along with its letter requesting approval of the proposed procedural schedule. Pursuant to the procedural schedule, comments on relevant issues, including the identification of other stakeholders and other foreseeable issues, are due by March 11, 2020. Staff has suggested that any decision on party consolidation should be deferred until after the first technical session held on March 18, 2020.

Accordingly, Staff shall file a proposal with the Commission on or before Wednesday, April 1, 2020, which addresses the following issues: (1) the identification of other stakeholders, if any, and the proposed deadline by which they must file petitions to intervene in this docket; (2) the proposed consolidation of parties, if any; and (3) any additional issues relevant to this docket which were not included in the December 13, 2019 order of notice.

Sincerely,
