**PUBLIC UTILITIES COMMISSION**

21 S. Fruit St., Suite 10  
Concord, N.H. 03301-2429

September 9, 2020

Re: DE 19-197, Electric and Natural Gas Utilities  
Development of a Statewide, Multi-Use Online Energy Data Platform  
Amendment to Procedural Schedule

To the Parties:

On February 14, 2020, the Commission approved a procedural schedule in the above-captioned docket, which was revised by secretarial letters dated April 17, 2020 and August 12, 2020. On September 9, 2020, Commission Staff (Staff) requested that the Commission further amend the procedural schedule. Staff represented that no party objected to the proposed amendment.

Staff requested the following changes to the deadlines for Set 1 Discovery Responses, Set 2 Data Requests, Set 2 Discovery Responses, and date of the October 2020 technical session as a result of party witness availability constraints:

Set 1 Discovery Responses	September 15, 2020
Set 2 Data Requests	September 22, 2020
Set 2 Discovery Responses	October 2, 2020
Technical Session	October 8, 2020, at 10:00 a.m.

All other deadlines would remain unchanged. Staff stated the proposed amendment to the current procedural schedule would optimize use of the parties' resources, would not unduly delay the proceeding, and would preserve adequate time for parties to develop follow-up requests and prepare for the October technical session.

The Commission has determined that the proposed amended schedule is in the public interest and, therefore, has approved it.

Sincerely,

Debra A. Howland  
Executive Director
