**RE: DE 19-197**

**Development of a Statewide, Multi-Use Online Energy Data Platform**

Chair Goldner,

On behalf of UtilityAPI, we respectfully request that our representative be able to listen and observe remotely via WebEx for the February 8th, 2024 status conference in the above-referenced docket. Josh Keeling is based in Oregon state and is unable to travel to Concord at that time. We regret that it was not possible to provide this request more than 15 days before the status conference as the Commission's procedural order was issued January 29th, 2024.

We appreciate your time and effort in this matter.

Best Regards,

Josh Keeling  
SVP, Product and Market Development
