Re: Docket No. DE 20-005
Public Service Company of New Hampshire d/b/a Eversource Energy
Audit of Divestiture-Related Costs

Dear Ms. Howland:

Please be advised that the Office of the Consumer Advocate (OCA), a party to the above-referenced proceeding, has reviewed the Settlement Agreement entered into and filed on October 1, 2020 by Public Service Company of New Hampshire d/b/a Eversource Energy and the Staff of the Commission. We concur with the terms of the Settlement Agreement and therefore we request that the Commission treat the OCA as if it were a signatory to the Agreement. The OCA plans to appear at the hearing scheduled for November 23, 2020 to request that the Commission approve the Settlement Agreement and determine that the agreed-upon adjustments to Eversource's Stranded Cost Recovery Charge are just and reasonable.

Please feel free to contact me if there are any questions or concerns about the foregoing. In keeping with the Commission's pandemic-related emergency directive we are filing and serving this letter in electronic form only.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Maurice Kreis".
