**RE: DG 20-013: Residential Low Income Assistance Program
Supplemental Tariff Filing**

Dear Director Howland:

Enclosed please find the following red-lined tariff pages for Northern Utilities, Inc., filed in compliance with NHPUC Order No. 26,397 and discussion with the Staff Attorney and Hearings Examiner in the above referenced proceeding:

NHPUC No. 12 - Northern Utilities, Inc.

First Revised Page 57 (LDAC Tariff Language),
First Revised Page 58 (LDAC Tariff Language).

These pages were included in the Company's December 2, 2020 Tariff Filing in the above referenced docket. The Company had determined that revisions to these pages was necessary to preserve the continuity of the LDAC Tariff, however, the redlined tariffs did not clearly identify language missing from the original submittal. The attached supplemental redlined pages provide the added language and a clear tariff record.

In accordance with the Commission's temporary moratorium on paper filings, the Company is submitting these tariff pages in electronic format only.
