Response Requested

Dear Mr. Newman:

Attached please find a letter of concern regarding Eversource Energy's proposed modification and reconstruction of an existing electric transmission line over and across state-owned land in Franklin, New Hampshire. The letter was filed on behalf of an abutter to the Northern Rail Trail in Franklin, which was a subject of the order *nisi* approving the above-captioned project on July 31, 2020.

Please provide a response, addressed to my attention, regarding the attached letter by no later than Tuesday, August 25, 2020.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".
