Re: Docket No. DW 20-071, Atkinson Area Waste Water Recycling, Inc.
Petition for Approval of Rate Change
Notice of Appearance and Response to Commission Procedural Order

Dear Chairman Goldner:

Please enter my appearance on behalf of the Department of Energy (DOE) with respect to the rate case expense recovery stage of this proceeding.

The DOE is in the midst of review and discovery regarding the rate case expenses submitted by Atkinson Area Waster Water Recycling, Inc. (Atkinson) in this docket. Due to the press of other work, including a number of other pending water rate cases, the DOE will not be able to complete its review and submit a report by May 16, 2022, as requested by the Commission in its April 20, 2022 procedural order. The DOE, however, will endeavor to complete its review and file a report with the Commission as soon as practicable.

Consistent with the Commission's *Temporary Changes in Filing Requirements* (March 17, 2020), this letter is being filed solely in electronic form. Thank you for your attention to this matter.

Respectfully,

s/s Suzanne G. Amidon
