Executive Director Debra A. Howland
New Hampshire Public Utilities Commission
21 South Fruit Street, Suite 10
Concord, NH 03301-2429

Dear Director Howland,

I am totally in favor of implementation of the Second Triennial Energy Efficiency Plan for 2021–23. The letter sent from eight members of the House ST&E committee is disappointing, shortsighted, and contains alarmist language that tried to hide the true benefit of this program.

I ask NH-PUC to not bend to this pressure.
