**RE:** DE 20-092 - NHSaves Energy Efficiency Programs  
Electric and Natural Gas Utilities – 2023 Technical Reference Manual

Chair Goldner:

Enclosed for filing with the Commission on behalf of Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty; New Hampshire Electric Cooperative, Inc.; Public Service Company of New Hampshire d/b/a Eversource Energy; Unitil Energy Systems, Inc.; Liberty Utilities (EnergyNorth Natural Gas) Corp d/b/a Liberty; and Northern Utilities, Inc. (collectively, the “NH Utilities”) is the 2023 Technical Reference Manual (TRM) for the NHSaves Energy Efficiency Programs.

The Commission closed this docket in a procedural order on July 28, 2022, directing that all reporting be filed to investigatory docket IR 22-042. However, the TRM is not a report and directly applies to the 2022-2023 energy efficiency plan filed and approved in Docket No. DE 20-092, and so best belongs with this docket’s materials. Therefore, the NH Utilities respectfully request that the TRM be filed and posted to this docket.

Consistent with current Commission policy, this filing will be made electronically only; paper copies will not follow. Please contact me if there are any questions or further information is needed. Thank you.

Regards,

Jessica A. Chiavara
