Public Utilities Commission
21 South Fruit Street, Suite 10
Concord, New Hampshire 03301**Re: Docket DE 20-092, Energy Efficiency Programs
Eversource's Performance Incentive Calculation – Program Year 2022**

Dear Chairman Goldner,

Attached for filing with the Commission is Eversource's performance incentive calculation relating to the NHSaves Energy Efficiency Programs for program year 2022.

Pursuant to the Commission's procedural order issued on January 24, 2022 in Docket Nos. DE 17-136 and DE 20-092, this 2021 report is being filed under Docket No. DE 17-136. The order states,

"To ensure that filings are made in the correct docket, this procedural order clarifies that filings such as monthly, quarterly, or annual reports for program year 2021, as well as notifications regarding program expenditures made prior to January 1, 2022, should be filed in Docket No. DE 17-136. Program filings for January 1, 2022 or thereafter should be filed in Docket No. DE 20-092."

The performance incentive calculations associated with Eversource's delivery of energy efficiency programs under the provisions of RGGI Grant RFP #18-005 and Eversource's delivery of the SmartSTART program are included in this filing. Also attached is the annual reconciliation of the Lost Revenue Adjustment Mechanism ("LRAM"), as required by Order No. 25,932 in DE 15-137 and Order No. 26,207 in DE 17-136. The LRAM calculation and timing for the enclosed reconciliation were approved by the Commission in DE 14-216 in its Order No. 25,976 issued on December 23, 2016 and updated in Order No. 26,207, issued on December 31, 2018.

Please contact me if there are any questions concerning this filing, consistent with current Commission policy this filing is being made electronically only; paper copies will not follow.

Very truly yours,

Marc E. Leménager
