Re: Docket No. DW 20-112  
Abenaki Water Company, Inc.  
Revised Black and White Compliance Tariff Pages

Dear Director Howland:

On June 11, 2021, Abenaki Water Company, Inc. (Abenaki) filed compliance tariff pages, in track change and clean, depicting its approved temporary rates. In that filing, the clean version of the 1<sup>st</sup> Revised Page 1 for the Tioga-Gilford Village tariff contained red font which could be confusing. Abenaki is now providing a black and white version for the Commission's records. Abenaki has made no substantive change to this tariff page. While it is making this filing, Abenaki is also providing a new clean 1<sup>st</sup> Revised Page 1 for the Tioga-Belmont tariff. That clean tariff page, when filed with its track change version, contained an extraneous line in the left footer margin which Abenaki wishes to remove for clarity's sake and the Commission's records. This is also a non-substantive change to the tariff.

Thank you in advance for your assistance with this filing. If you have any questions, please do not hesitate to contact me.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
