

Presiding Officers, Board Members, Executive Director, et al,

I would like to petition to be an intervener pursuant to the [541-A:32 Intervention](#) with respect to Docket No. DW 20-156

Request for Change in Rates Docket No. [DW 20-156](#)

I have been a long standing Litchfield NH resident, tax payer and pursuant to Rule Puc 203.17, provides that the Commission shall grant petitions to intervene in accordance with the standards of RSA 541-A:32. RSA 541-A:32, part of the Administrative Procedure Act, provides that a petition to intervene shall be granted upon a showing that the petitioner has “rights, duties, privileges, immunities or other substantial interests” that may be affected by the proceeding, and “the interests of justice and the orderly and prompt conduct of the proceedings would not be impaired by allowing the intervention.” Marc Cloutier and my wife, Tracy Cloutier of; 6 Heron Drive, Litchfield, NH 03052 are residential customers of said utility (Pennichuck East Utility, Inc) for 10+ Years and would be adversely affected by the said rate increase.

I plan to dynamically participate in this Docket, along with share and transparently communicate to the townspeople of Litchfield these proceedings.

WHEREFORE, [MARC CLOUTIER] respectfully request that this honorable Commission: A. Grant the petition for intervention, and B. Provide any other such relief as it deems appropriate.

Respectfully,
Marc Cloutier
